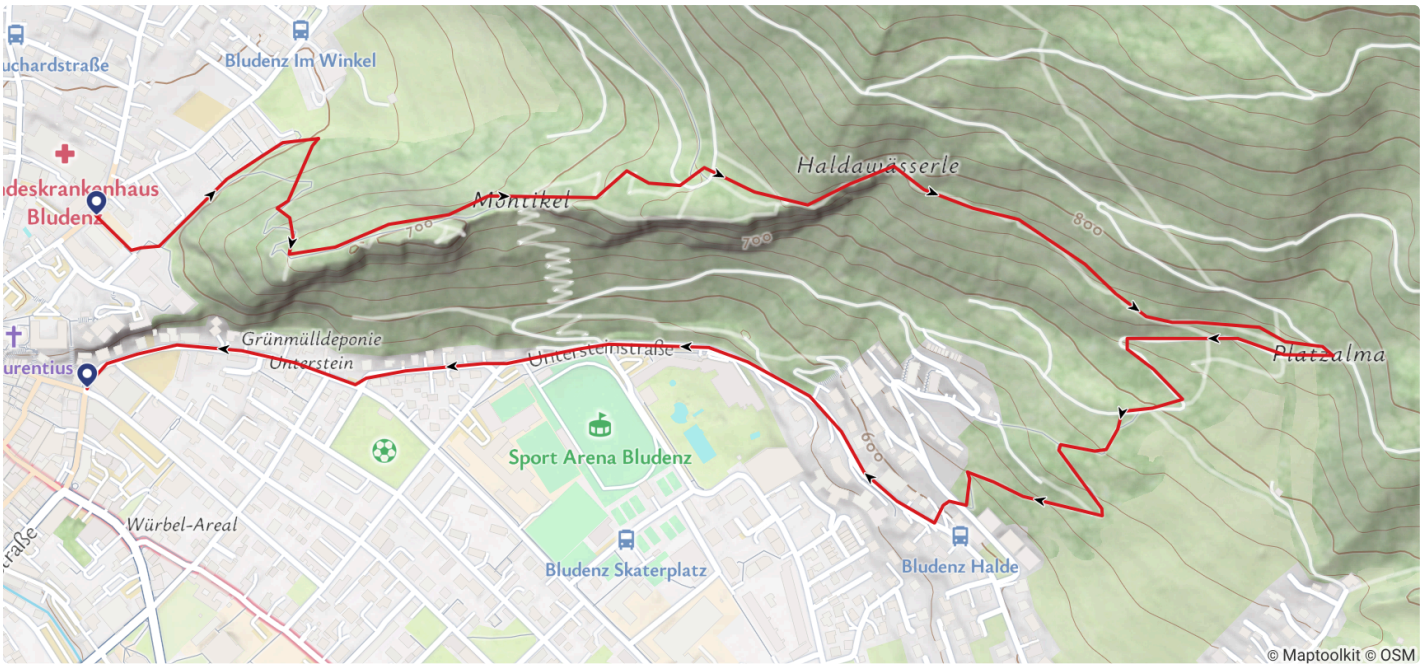
EASY | REFRESHMENTS | PANORAMIC | FAMILY-FRIENDLY | FROM A TO B



Tour description

Very beautiful panoramic trail close to the city with many resting benches and beautiful viewpoints.

This tour starts near the St. Laurentius church at the stop "Bludenz Krankenhaus". Here the hiking trail leads past the Bludenz Social Center and thus immediately joins a forest path. Following the forest path, you will reach the Montikel via several small hairpin bends. On the Montikel, numerous benches and viewing points await you, where you can enjoy the breathtaking panorama of Bludenz. Follow the hiking trail further towards Rungelin and enjoy the views over the city. At a fork in the road, follow the sign towards "Halde" and descend into the Halde district. At the junction with the road "Haldenweg" keep to the right and walk past the Val Blu leisure pool in the direction of the town center. Alternatively, take the bus back to the town center.
