ICE CREAM PARLOR

BAR/PUB/LOUNGE

CAFÉ

 Herrengasse 4, 6700 Bludenz

Here you can get ice cream from fresh ingredients, hand roasted coffee and homemade cake.

Do you love good ice cream like we do? Then we are your princes! Original Italian gelato, hand-roasted coffee, freshly baked Belgian waffles (in the winter season) and much more await you. And we are also open on Sundays and public holidays.

We always serve vegan ice cream, and vegan sundaes in summer. We also always have vegan cappuccino, latte macchiato and ice cream milkshakes. We also offer gluten-free waffle cones.

We are more than just an ice cream parlor. We are also a café, lounge and bar. In summer, our guest garden becomes a beach with palm trees, sun loungers and lots of sand for the little ones to relax and play. We are your favorite place in Bludenz. Come by and see for yourself! We look forward to seeing you!
