HANDICRAFT/ARTS WORKSHOPS

MEETING PLACE

Compressed path by Maria Anwander

On the Alpine Art hiking trail at Muttersberg, eight renowned artists have created their works – each station unique, shaped by individual perspectives on life in the mountains.

The artwork "Compressed Path" condenses all markings of a fictional hiking trail into a meaningless heap and questions orientation systems as well as our apparent self-determination in nature.

Material: Lacquer, stones, aluminum, steel

Size: Dimensions variable

About the artist: Maria Anwander was born in **1980 in Bregenz**. She studied theater, film, and media studies at the University of Vienna as well as media art and sculpture at the Academy of Fine Arts Vienna. She currently lives and works in **Berlin**.
