

Blickbank - Kunstwerk Alpine Art Muttersberg

HANDICRAFT/ARTS WORKSHOPS

MEETING PLACE

Viewbank by Monika Grabuschnigg

On the Alpine Art hiking trail at Muttersberg, eight renowned artists have created their works – each station unique, shaped by individual perspectives on life in the mountains.

The “Blickbank” integrates as a minimal intervention into the natural landscape and creates space for reflection. The edelweiss, a plant originally from Central Asia, appears foreign and ambiguous in this context. It becomes a symbol of alienation – something unreal amidst the apparent idyll.
