INDOOR SWIMMING POOL

ADVENTURE POOL

 Haldenweg 2a, 6700 Bludenz

Swimming fun for everyone.

Carefree splashing around in the water or forgetting the time while swimming... It doesn't matter whether you're swimming laps in the 25-meter pool or having fun with the little ones in the children's pool.

The Val Blu indoor swimming pool is popular with both young and old, as it offers plenty of variety. Ambitious hobby swimmers feel just as comfortable here as families with children. Those looking for relaxation will also find just the right place. In the 25-meter sports pool, you have plenty of space to work out or simply swim at your leisure. In the side alcoves, you'll find pleasant partial and full-body massage jets as well as a geyser for relaxing. In addition to the large sports pool, there is also a non-swimmer pool in the indoor area. There, a rock grotto and a waterfall provide fun in the water. Due to the shallower water depth, the non-swimmer pool is particularly popular with children. And to ensure that boredom doesn't set in, the little ones have access to a colorful elephant slide.
