A meeting point for every age - right beside the mountain railway and the golf course

For you, après-ski is a part of your skiing holiday, as is the snow for us in winter here in the Brandnertal? Then you should visit our après-ski hut Heuboda. Because here carefree sociability meets rustic ambience, Vorarlberg delicacies meet a well-tended beer and skiers meet locals. In our après-ski bar Heuboda you can experience the refreshing and cordial nature of the Brandner and let your day of skiing end comfortably.

Dogs are welcome at the Heuboda!

Vegan and vegetarian dishes are also available.

Payment by credit card possible.
