Winter:

Rent top-of-the-line alpine skis, touring skis, cross-country skis, or snowboards – perfectly maintained and always up to date. In our in-house ski workshop, we also provide premium and speedy ski and snowboard service, ensuring you're always out on the slopes with perfectly tuned gear.

Summer:

As the official Bikepark Brandnertal shop, we're your go-to partner for high-quality downhill and enduro bikes, kids' bikes, and e-bikes – complete with the right protective gear.

Whether it's replacing brake pads, bleeding brakes, or repairing damage, our workshop team makes sure you're back on your bike and trail-ready as quickly as possible.

Quality is our top priority: we stock only brands we truly believe in – from great value models to high-end products – until you find exactly what suits
