Directions

The route in Bürserberg begins at the bus stop "Bürserberg Museum". From here, walk a short distance in the direction of the Außerberg parcel to the first three information boards, then take the same path back towards the bus stop. Keep to the right here and walk a short distance uphill along the old Tschenglastraße and along the footpath down to the parish church - always accompanied by interesting information boards. From the parish church along the road in the direction of the municipal centre. From there, continue along the main road in the direction of Brand to the village of Tschapina. Here you will find further waypoints. In Tschapina, turn right and walk uphill for a short distance. At the second large bend, the hiking trail branches off and leads back through the forest to Bürserberg and on towards the community centre. From the community centre, take the same path back to the starting point.

Details of the interesting waypoints along the culture trail in Bürserberg can be found below by clicking on the waypoints. This will provide you with a detailed description, further visual material and in some cases videos that provide more background information.
