Römerkeller | Dalaas

Klostertal Vorarlberg

EASY | PANORAMIC | THERE AND BACK

Tour description

Beautiful hike through several parts of Dalaas up to Hintergant and the Römerkeller.

You start the hike at the Kristbergsaal car park. The path leads you up towards the parish church of St. Oswald. Along Bahnhofstraße up to the parcels of Gaues, Untermarias and Obermarias. In Obermarias the path branches off into a footpath and leads past the field cross over the Sand- and Hölltobel through a wooded area to the Mason parcel and on to the Hintergant parcel. From there, cross the Schmittenbach and continue to the Römerkeller. The way back is via the same path. Or you can take the path to Untermason on the way back from the crossroads in front of the Martinskapelle. You will then come to the parish church of St. Oswald and take the same path back to the starting point.
