Wald am Arlberg - Spullersee - Klösterle | Wald am Arlberg

Klostertal Vorarlberg

MODERATE | PANORAMIC | FROM A TO B

Tour description

Beautiful hike from Wald am Arlberg along the Spreubachtobel up to the Spullersee and along the Wäldletobel back down into the valley.

The tour starts at the bus stop "Wald Innerwald" in Wald am Arlberg. From here, past the Spullersee Karftwerk, you walk a short distance along the road into the valley. Before the Spreubach bridge, the hiking trail branches off to the left. From here, the hiking trail leads over several bridges and ravines, always uphill towards Spullersee. After about 2.5 hours you reach the picturesque Spullersee in the Lechquellen Mountains.

The circular trail around the Spullersee is easy and the lakeshore is a good place for a short rest before returning downhill via the Alpe Grabs/Spullers. First follow the hiking trail, then a bit along the goods path and the last section of the tour is then along the Wäldletobel down to Klösterle am Arlberg.

Return to the starting point with the bus line 720 to Wald am Arlberg.
