Klostertal Vorarlberg

EASY | FAMILY-FRIENDLY | STROLLER-FRIENDLY | FROM A TO B

Tour description

Experience exciting stories with our water forest gnome Alfonz along the Alfenz in Wald am Arlberg!

Alfonz, our **water forest gnome**, accompanies you on the new **gnome experience trail** in Wald am Arlberg. He lives in a piece of woodland on the Alfenz in Wald am Arlberg in the Klostertal. He takes care of nature with its many animals and plants, introduces you to his animal friends and gives you special insights into his exciting life.

The **Wichtel-Erlebnisweg** presents itself in different designs depending on the season. Children's hearts beat faster during the guided hikes with **exciting stories**. The **barbecue area** offers possibilities for a campfire in summer and winter. A covered seating area with Kneipp basin and pond invite you to linger.

Since nature is especially close to his heart, Alfonz will be happy if you travel to the starting point with your family **by bus**.

The starting point of the gnome experience trail is at the **bus stop Außerwald** in Wald am Arlberg. Here you walk a very short distance along the main road (Arlbergstraße) out of the valley to the bridge. The trail now leads over the bridge to the other side of the river **Alfenz**. There you will find the starting point. From here, the path leads along the Alfenz river into the valley. The exciting stories of Alfonz and numerous play stations provide games, fun and entertainment for the whole family. The last board is located shortly after the barbecue area/rest area. Here the trail branches off, leads up an asphalt road towards the main road (Arlbergstraße) and back to a bus stop. The bus takes you back home from the **Stelzistobel bus stop**.
