Klostertal Vorarlberg

Tour description

A peaceful, three-day alpine hike in the Verwall Mountains, featuring high plateaus and secluded valleys, connecting mountain pastures with a self-catering hut; this hike requires good physical fitness, sure-footedness, and alpine experience.

A peaceful, **three-day** alpine **hike in the Verwall Mountains** featuring impressive high plateaus, secluded valleys, and two very different mountain huts. The tour combines staffed alpine huts with a self-catering hut and offers several scenic descent routes into the Klostertal Valley. Good physical condition, sure-footedness, and alpine experience are required.

Stage 1:
Starting from **Langen am Arlberg**, the trail first leads along alpine and forest paths to **the Bludenzer Alpe**. The ascent is steady through alpine pastures and open mountain terrain. The route then continues toward the Verwall main ridge, where the trail becomes increasingly alpine. After a final ascent, you reach the **Kaltenberg Hut (2,089 m)**, situated in a scenic location, which is an ideal spot for a break and **overnight stay**.
Walking time: approx. 5–6 hours
Difficulty: moderate
Refreshments and overnight stay: Kaltenberg Hut

Stage 2:
From the Kaltenberg Hut, the route leads through the high-alpine, expansive terrain of the Verwall Mountains. The trail winds over gentle ridges, alpine meadows, and small hollows, conveying a sense of great seclusion. After several moderate ascents and descents, you reach the **Neue Reutlinger Hut (2,128 m)**.
⚠️**Important note:**
The **Neue Reutlinger Hut is strictly a self-catering hut**. **Reservations are mandatory** and must be made via the DAV Reutlingen website. Additionally, a **key reservation** is required, which can be made either at the **Alpine Club regional office** or at **Klostertal Tourism, Klösterle office**, for a deposit fee.
Hiking time: approx. 4–5 hours
Difficulty: moderate
Refreshments and overnight stay: Neue Reutlinger Hütte

Stage 3:
On the final day, there are two equally good descent options to choose from. Either the route leads over the **Satteinser Alpe**, past alpine pastures and through open mountain terrain, or you can choose the descent through the **Nenzigast Valley and past** the **Alpe Nenzigast**, **a** mountain **hut that** captivates with its wild, wonderful landscape. Both routes eventually lead down into the valley to **Klösterle**, where the three-day tour ends.

Note: The times listed are approximate. Depending on the weather or other factors, the walking time may be shorter or longer.
