

culinary pleasure round winter Großes Walsertal

Good food is balm for the soul. Right, just like movement in nature.

Description

The Culinary Tour in winter combines fine regional cuisine with a winter hike or a ski day through snowy landscape. You start with breakfast in the valley. The Gasthof Krone awaits you with fine regional delicacies to start the day invigorated. Then you can start. The cable car will take you to the winter world of Sonntag-Stein in just a few minutes. On the prepared winter hiking trail, the path leads to Steinbild and further and further away from everyday life. The snow crunches under your shoes, your own breath comes and goes in steady puffs. Wonderful! By the time hunger makes itself known again, you have already arrived at Alpen Chalet Partnom, where the Bitsche family serves a hearty Walser cheese pancake with salad. Dessert is dished up on your return to the top station in the Seilbahnstuba. Alternatively, this Culinary Tour can also be completed on skis. Have fun and enjoy!

Dates: The execution of the Culinary Tour is possible in the winter high season from 21.12.2024 until 16.03.2025 each Thursday to Sunday and in the off-season times correspond to the operating times of the cable car Sonntag-Stein.
