Kinderprogramm - Büchereischatztruhe exit the library

🕒 Wednesday 14:00 o'clock

Duration: 2 hours

"Crack the library treasure chest exit the library - find your way out of the library" There is a great Egypt exhibition in the library. You looked at all the exhibits with great interest. The centrepiece was the sarcophagus of Imichet. But one of you was too curious and disturbed the eternal rest of Imichet's soul. A fitting punishment seems certain ... because without batting an eyelid, the awakened soul quickly blocks the exit to the library. You have one hour to find the key and have to solve a few puzzles.
