Tour description

The hike to the Seewaldsee is eventful from spring to autumn in any weather and offers a wonderful panoramic view over the Grosses Walsertal.

The paved surface of the road, which is closed to individual traffic, makes the hike easy, family-friendly and suitable for prams. The route only has a slight incline over the Seewaldtobel. At the Seewaldsee lake, the Seewaldsee inn and the Seestüble restaurant "see&me" await you directly on the sunbathing lawn. In warm weather, the Seewaldsee offers pleasant cooling, so don't forget your swimsuit!
