Tour description

Winter hiking along the municipal road to the districts of Mittelberg and Türtsch in Fontanella.

The start of this tour is the village centre or the church in Fontanella. From here, an asphalted road that is cleared in winter leads to the districts of Mittelberg and Türtsch. This path, which leads past individual, scattered mountain farms, is very scenic and offers a sensational view of the entire valley. In Mittelberg, continue hiking in the direction of Türtsch. This trail ends in the Türtsch district and leads back along the same route.
